# DEADSET

Welcome to your new favourite haunt.

Dead Set is not your typical venue hire space — it’s a hard-rock hideout and late-night underground refuge, perfect for unforgettable events after dark.

Tucked away in Kinselas basement on Little Oxford Street, the space brings bold energy, character, and an atmosphere unlike anywhere else. With stiff drinks, loud live music, and a vibe made for good times, it’s the ideal setting for birthdays, celebrations, corporate parties, and private events that want something a little less ordinary.

If you’re looking for a venue with serious personality, Dead Set is ready to host your next night out.
